Hat-Trick at NTSE Level-I

Proud Bhavanites from Bhavan Vidyalaya Panchkula, Adamyia Chauhan, Drishti Gupta and Vedaant Thakur had another reason to celebrate. Their recent achievements have made them feel like celebrities. All three have cleared the NTSE-Level I(2018-19). School Principal Mrs. Gulshan Kaur blessed them and congratulated the teachers for the proud feat.

Pradhan Mantri Innovative Learning Programme- Dhruv

Yet another moment of pride and honour for Bhavan Vidyalaya, Panchkula as its student Gurpreet Singh Wadhwa is selected for Pradhan Mantri Innovative Learning Programme 'Dhruv' organised by Ministry of Human Resource Development (MHRD). This ambitious new scheme was launched by MHRD to hone the skills of the brightest students in classes IX to XII. Under this programme the total of thirty science students are selected amongst 60 super talented students across the nation for training by experts.

Bhavanites grabbed AIR 1 at LPU-NEST

Harsh Kumar, a brilliant student of Bhavan Vidyalaya, Panchkula grabbed the highest rank AIR 1 in LPU - NEST (National Eligibility & Scholarship Test). It was a moment of pride and honour for the school. This test is conducted by Lovely Professional University at the national level. Top ten rankers will get a scholarship of rupees two lac on joining top ranking institutes like IIT, NIT etc.

Rishton Ki Saugat

Nurturing Family Bonds

To celebrate the joy of togetherness the students of class I to VI of Bhavan Vidyalaya, Panchkula celebrated Rishton Ki Saugat - rejoicing the essence of family in togetherness and acceptance on 25th May 2019. The events ranged from International Gourmet Delicacy from across the world that tingles the taste buds of everyone to Hasya Kavita Path, Pratiyogita to Food Quiz. India is known for its street food variety, an excellent endeavour to rediscover our own country through the gastronomical journey of street food of India was undertaken. It was a well organised programme. Everyone participated with great enthusiasm and spirit. The students also participated in cultural events like bhajan, band performance, dance depicting love and bond of Krishna and Yasodha Maa.

The Management and the Principal Ms. Gulshan Kaur appreciated and felicitated the students and their parents and grandparents for their whole-hearted participation and efforts to make this event a grand success.

HARBINGERS-mutual learning

A JAPANESE DELEGATION IN BHAVAN'S PREMISES 10.05.2019

A team of Japanese educators visited Bhavan Vidyalaya Panchkula on 10 May 2019. The agenda of the visit was to get an insight into the working of Indian schools. The team showed keen interest in the self-paced online learning tools of the school. The team of four Japanese educators was headed by Mr. Masahiro Hara. The team is working under the aegis of Japanese govt. and is also functioning in Africa. Principal Ms. Gulshan Kaur called it a mutual learning and added that such kind of knowledge exchange will build the bridges and consequently will bring the countries closer.

ALONE WE MAY BE BEAUTIFUL BUT TOGETHER WE ARE MAGICAL (12.05.2019 - 17.05.2019)

National Integration Camp

A group of six students from classes IX and X attended National Integration Camp at Bhavan's Vidyasharam, Jaipur from May 12-17, 2019. It was a truly fulfilling and enriching experience providing an opportunity to the students and teachers to intermingle with the students and teachers of other regions and learn about their culture, custom, traditions, heritage and religion. The cultural representations by different schools was an overwhelming experience and proved the theme "Alone We May Beautiful But Together We Are Magical" to be perfectly true.

Bhavan Vidyalaya Panchkula Parliamentary Debate Championship witnessed the glorious commencement of its Sixth edition on May 30th 2019. The debate championship this year witnessed more than 350 participants in teams of three from all over tricity making it the Asia's Largest PDC. The opening ceremony of the event began with the auspicious Lamp Lighting and Saraswati Vandana. The Chief Guest for the ceremony was Sh. A.N.Mathur, Chief Secretary, IAS (Retd.) Haryana. He encouraged the young debaters to debate for principles and not just for the sake of debating. He also mentioned that warriors and victors have responsibility and called for higher behavior pattern among debaters. He said that the concepts should be attacked, not the individuals. Principal Ms. Gulshan Kaur appreciated the views of Sh. A.N.Mathur IAS (Retd.). She emphasized that one should put one's perspective ahead and should try to understand other's perspectives because right and wrong are just perspectives in context. She further added "Even Right is never Right in the mirror." Mrs. Manju Gupta IAS (Retd.) a part of Kendra Committee was also present. The event concluded with Ayush and Simran, the school core, declaring the meet formally open.

The event painted the campus of Bhavan Vidyalaya, Panchkula in the colours of debating. It was a win-win situation for all the participants as the prize winners won not only trophies but also hearts. The final debate was between students of Bhavan Vidyalaya, Chandigarh (Jhanvi Gupta, Vardaan Kohli and Armaan Angra) who won the runners up trophy and Students of Strawberry Fields High School (Adit Jindal, Chaitnya Gupta and Mayank Jain) who later emerged victors of the Championship. The Closing ceremony of the event witnessed a mesmerizing musical performance. The Chief Guest for the concluding ceremony was Sh. Kulwant Singh, Chief Secretary IAS (Retd.) and Founder Chairman of Bhavan Panchkula Kendra. Principal Ms. Gulshan Kaur called for raising the level of debate among school students. Mrs. Manju Gupta a part of Kendra Committee was also present to motivate the participants. The event concluded with Himanshu and Krishnoor, the school core, declaring the meet formally closed.

A FLIGHT TO NASA

JUNE 3 – 14, 2019

Boosting Aeronautical Skills

Sea World- At sea world, students got a chance to observe marine animals and their habitats closely, like turtle trek, dolphins show, killer whales show, sea lions, sting rays and even penguins. The rides were also amazing. It was a complete amalgam of amusement with knowledge. After that they explored the premium outlets for shopping.

June 5, 2019:

Kennedy Space Centre- An amazing day for them as we started our journey for NASA (Kennedy Space Centre). There was an interactive session with veteran astronauts. After that they had a guided tour of the entire campus. They visited rocket launch pads, simulated shuttle launcher and NASA museum. The journey to Atlantis was the major attraction.

June 6, 2019:

ATX (Astronaut Training Experience) – Here they got the privilege to live the life of an astronaut for one day. It was amazing to perform the activities assigned to them like working under micro gravity, collecting rocks from moon by using VR, driving Land Rover on moon surface, going on a mission in space shuttle and coordinating with the control room. At the end of the session, they got certified by NASA ATX program.

June 7, 2019:

Universal Studios - The fun began at world's best theme park. The rides and the set ups were larger than life. The students enjoyed the rides a lot.

A FLIGHT TO NASA

JUNE 3 – 14, 2019

**Gathering Information & Imbibing
Problem Solving Skills**

June 8, 2019:

Niagara Falls- The students were surprised to read about the facts about Niagara Falls. The activity 'Maid of the Mist' was one of its kind where they were taken to the falls on a ferry trip. They were also amazed to see the bridge connecting the USA and Canada.

June 9, 2019:

Harvard University - The students were explained the history of Harvard University by our guide on the campus tour. The buildings of the university speak for themselves about their historical significance.

June 10, 2019:

Robotics workshop at MIT - They attended robotics workshop at Massachusetts Institute of Technology. The best part was programming the robots by using actual codes. The students enjoyed it a lot. At school, they get a chance to assemble the robots but programming them was a level ahead.

June 11 & 12, 2019:

NYC - Exploring New York City was beyond the expectations as it has a lot to showcase. Visiting 5th Avenue, Time Square, and Central Park was enjoyable. Ferry Trip to the Statue of Liberty was really knowledgeable. The explanation of incidents of 9/11 at World Trade Centre brought tears to their eyes. The view from the Empire State Building was mesmerising. The statues at Madame Tussauds museum were brought to life by the artists.

EUROPE TRIP

(JUNE 25 - 6 JULY, 2019)

Porsche Museum

Louvre Museum

The international tour to Europe offered the students a multitude of opportunities to grow, learn and experience the culture of diversities. Having covered a number of countries across Europe, including **Paris, Switzerland, Rome, Vatican City and Germany**, the students got a lifetime experience to witness some of the most celebrated arts, museums and historical sites in the world. While the Louvre Museum, Porsche Museum, Cuckoo Clock Museum provided them with deep insights of knowledge making students go awestruck, the Cheese Factory and Chocolate Factory added flavours to this learning process. Eiffel Tower and Disneyland in Paris and Mt. Titlis in Switzerland became few of the most enjoyable spots for students with them creating the most of their cherished memories.

Getting enchanted with Maths

"Go down, deep enough into anything and you will find Mathematics. This is what I tell my students repeatedly so that they engage themselves in various brainstorming exercises. These activities along with instilling confidence in them, also help them to overcome the fear of studying this subject."

Storming..

The faculty here at Bhavan Vidyalaya always focuses on educating children at every step and hence, a very innovative technique was adopted by them to include brainstorming while playing Tambola. Instead of speaking out the numbers directly, they dictated mathematical problems and the solutions were to be marked on the slip by the students after calculation.

OBSESSION WITH NUMBERS

The subject mathematics is always associated with the feeling of extreme fear and anxiousness. But an antidote to this problem was Mr. Vikas, Assistant Director, Aakash Institute, Punjab zone, who guided the students how they can get themselves indulged in the same and generate their interest.

31.8.2019

A very trailblazing method was used by the trainers here at the school to check how swiftly, yet accurately, the students can answer a series of questions. This was an activity designed for the students of standard V to VIII on July 8 and 9, 2019.

Are you swift enough??
