It's Christmas

I'm a little pine tree
As you can see,
All the other pine trees
Are bigger than me.
Maybe when I grow up
Then I'll be
A great big merry Christmas tree!

Sports

JUMP

RUN

*Let's turn off our video games and run outside
From so many sports,
We may choose and decide,*

*Baseball, basketball
& soccer are fun,
Let's grab some friends and play in the sun.*

Types of Plants

Little Seed

I plant a little seed
In the ground,
Out comes the sun,
Big and round.
Down come the rain drops,
Soft and slow,
Up comes a flower,
Grow, grow, grow!

Parents Worship Day

"One of the greatest titles in the world is a parent, and one of the biggest blessings in the world is to have parents to call mom and dad."

Show & Tell - Solar System

I know the planets, how about you?
I know the planets, how about you?
I know the planets, how about you?
Let's say the names together!

Mercury, Venus, Earth, and Mars;
Jupiter and Saturn among the stars;
Uranus, Neptune are up there too;
All spin around in space it's true!

Everything goes around the sun.
Spinning, Spinning everyone!
The Earth is ours, it's number three.
It's atmosphere is right for me!

The teachers along with Young Bhavanites celebrated children's day with great fervour and zest. The itinerary included foot tapping music, dance, surprise bubble shower, astonishing magic show, exciting take aways and their favourite movie show .

Field trips are an excellent chance for the kids to apply the concepts learnt by making real world connections and reinforcing learning. Students of Grade1 visited Chowki Dhani on 15'Nov'2022 to catch a glimpse of Rajasthani culture and heritage.

The little minds learn the best through hands on activities and their joy gets doubled when they get an opportunity to show case their learning. Students of Grade 1 Shubham demonstrated their understanding about "Parts of Plant " by creating a paper plant and labelling its parts.

While learning to stay safe and become a traffic literate, budding flowers of Grade 1 explored the Traffic Park of Sector-23 Chandigarh on 16' Dec'23.. Students were ecstatic when they were shown many traffic signals and explained the significance of traffic rules by a short role play. It was a fun-filled and informative experience for them.

Our young and keen learners of Grade 1 participated with full enthusiasm and vigour in Sh. Kulwant Singh literary fest held in Bhavan Vidyalaya. They enacted a short role play "The Mosquito and the Tiger" in their classroom and also discussed the learnings from the story. They visited the Book Fair organised in the school campus and were too excited to read new books and share them with their friends.

The inquisitive minds perform when they are given stimulation and opportunities to experiment, observe and share their learning. Students of Grade I Shubham enquired, experimented, observed and presented their understanding about "The World of Plants" by way of different activities.

Grade 1 celebrated one of the most awaited festival of the year Christmas in a fun and frolic manner. They came dressed up as Santas, fairies and reindeers,. They sang carols, exchanged gifts, danced and participated in the story telling competition that happened on the same day.

बसंत पंचमी के उपलक्ष्य पर भवन विद्यालय में विशेष आयोजन किया गया जिसमें प्राथमिक स्तर पर विद्यार्थियों ने पतंग बनाई और उस पर चार से पांच वाक्य लिखें। बच्चों ने बड़े ही उत्साह के साथ भाग लिया। कक्षा में बसंत पंचमी के महत्व व उसके सृजनात्मक पक्ष पर भी प्रकाश डाला।

Our tiny tots of Grade 1 Shubham celebrated "MATRI PITRI PUJAN DIWAS" on 14 February '2023 by making colourful greetings for their parents and expressed love and gratitude by writing few words for them.

Young Bhavanites of Grade 1 Shubham were enthusiastically involved in “Show and Tell Activity” where they demonstrated their research and understanding about “Planets in our Solar System.”

Thank You

SPECIAL ASSEMBLY ON GURU PURAB

God is one,
but He has innumerable forms.
He is the creator of all and He himself takes the human form.

- Guru Nanak Dev Ji

LET'S GO FOR SHOPPING

Students were taken part in Maths activity where they come to know money is a medium of exchange; it allows people and businesses to obtain what they need to live and thrive. They come to know use of money, adding and making combinations through real life shopping experience.

Children's Day is celebrated on November 14th commemorated the birth anniversary of Jawaharlala Nehru. Due to his love for children, this day is celebrated Children's day. One's Nehru said "The children of today will make the India of tomorrow. The way we bring them up will determine the future of the country"

Every child is a different kind of flower, and all together, they make this world a beautiful garden.

Trip to
INOX and
chowki
dhani

As a part of school excursion trip, we visited MOX theatre and Chokhi Dhani. The trip was organized to create the awareness about the heritage and culture of India among students to get today's generation closer to their past, and to encourage the village art and culture. Students were delighted to see the place and had fun learning over there.

SPELL L BEE

Spell Bee competition were held to enrich vocabulary, train memory, develop memory skills and to raise interest and motivation to learning English among students.

Fancy dress Competition

A gorgeous fancy dress competition were held and children were excited to participate on the theme of Panchtantra. The purpose of conducting the competition was not only to blend learning with fun but also to develop confidence in the students by giving them opportunity to get an audience. Children dressed up in their colourful costumes and spoke few lines on the character that they depicted. The effort of children was highly commendable
