The Land of Stories

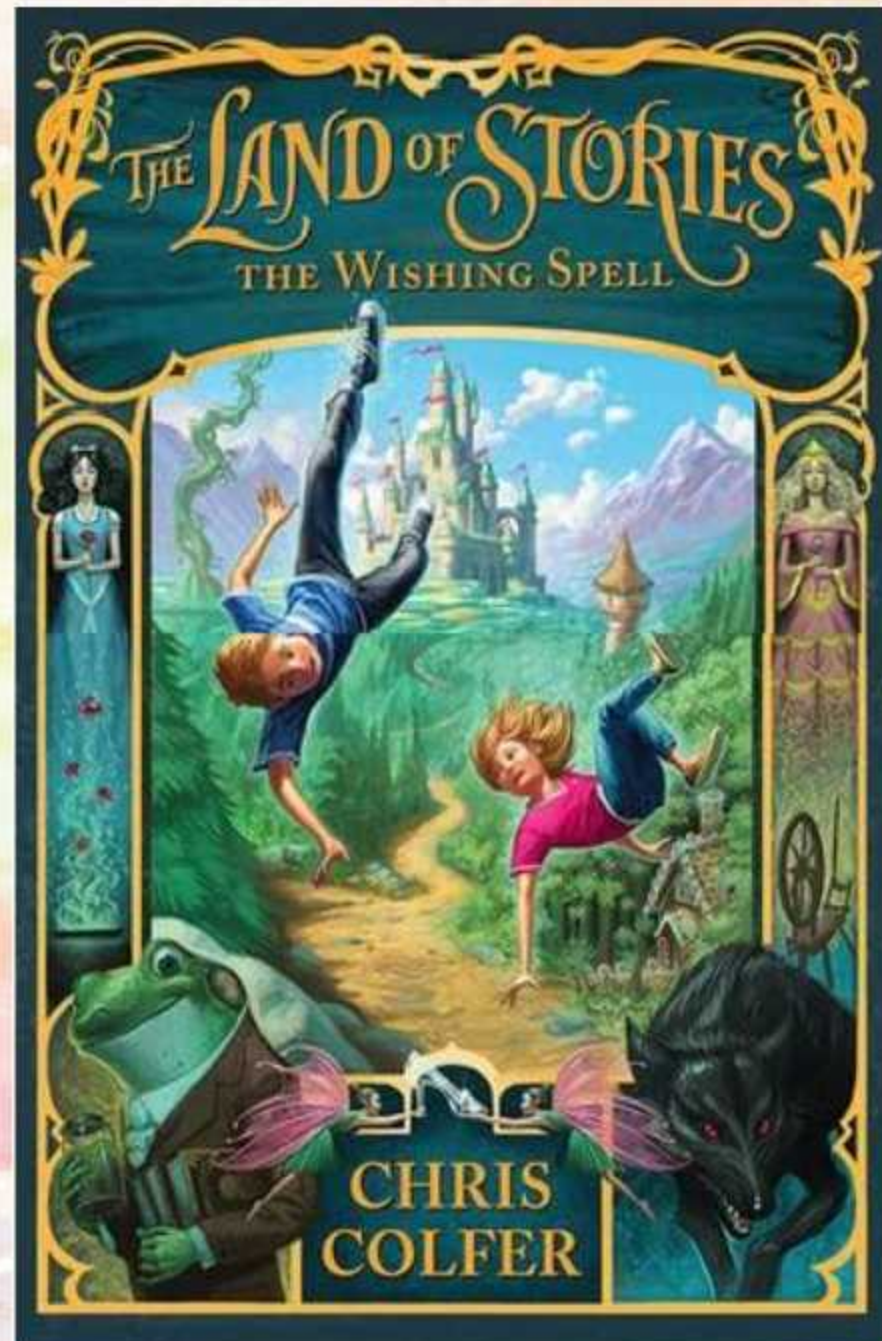

Book review for the part the Wishing Spell

CHRIS COLFER

I had read this book in my summer holidays, this part of the book is one of my favorites by the cover it seems like it is magical and full on mysteries and may having magical suspense. This story is about twins Alex and Conner Make a young sister and brother team as they magically get inside the family fairy tale book Searching for items to help them to get back to their own world they face danger and meet very famous fairy tale characters. I would highly recommend you to read this book.

Thank You!

Harry Potter And the Philosopher's Stone

Harry Potter has never even heard of Hogwarts when the letters start dropping on the doormat at number four, Privet Drive. Then on Harry's eleventh birthday, he gets some astonishing news: Harry Potter is a wizard. In fact, the most famous wizard in the century! When he meets the half-giant Hagrid and makes some amazing friends like Ron and Hermione, he found out that there is more to his story than he thought! He meets some amazing wizards like Albus Dumbledore and Minerva McGonagall. But with friends also come foes. He learns about his past with Lord Voldemort. He knows about a precious magical artifact that could save the world but also destroy it all at once. He also knows that it is in danger of falling into the wrong hands. Will Harry be able to save the Philosopher's Stone or will the world be afraid? Read the book to find out!

वक्त नहीं

पर खुशी है जोशों की राख में
 पर खैरी के लिए बचल नहीं
 दिन - रात जोड़ती दुनिया में
 दिवंगती के लिए बचल नहीं
 भी खी खीरे का एहसास तो है
 पर भी खी भी कहने का बचल नहीं

सारे रिश्तों को तो हम मार चुके
 अब उन्हें बचलाने का बचल नहीं
 यदि नाम बीबाइल में है
 पर जोखी के लिए बचल नहीं
 ये तो भी क्या बाल करे
 जब अपनी के लिए ही बचल नहीं
 ये तो भी खीड़ में ऐसे बीड़े हैं कि
 बचलने का भी बचल नहीं
 अराए एहसास की तो बाल ही बचल
 जब अपने सपनों के लिए भी बचल नहीं।

Best Footballer

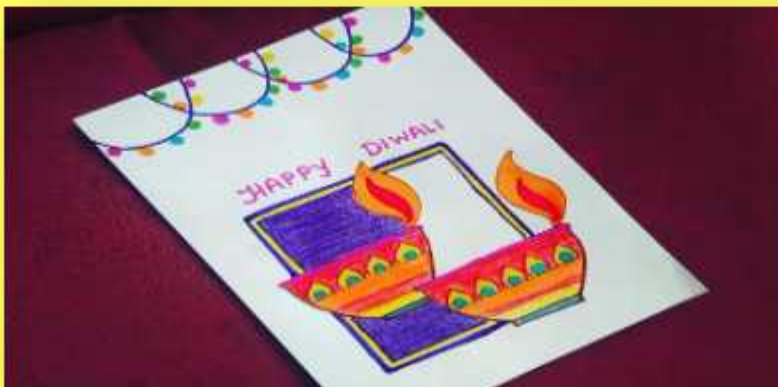

Lionel Messi

Lionel Messi is a great footballer. He was born in Santa Fe Province on 24 June 1987. At the age of five, he started playing football for Grandoli, a club coached by his father. In 2005, Messi transferred to Newell's Old Boys. At the age of 11, he was diagnosed with a growth hormone deficiency.

River plate showed interest in Messi's progress, but did not have enough money to pay for the treatment of the illness, which cost over £500 a month. As Argentina's economy was collapsing, Laporta, former chief sporting director of FC Barcelona, was made aware of Messi's talent and Barcelona signed him after watching him play. And the rest is history.
