**HAPPY
JANMASHTAMI**

Independence Day

On 14th August, a boy named Lakshay plays with his best friend named Kairav.

After 2-3 minutes they both plans that we can make our Independence day more attractive. They bought some flags of the country India. They hung on the wall of their house.

On next day, They woke up and pray to god. They both holds a flag with their hands and sing the national anthem of India. They watch the special program about Independence Day on their televisions (T.V.).

My Country 'India'

My country 'India' is the
best
Friends I have a request,
We should not fight
Rather do only what is right
Let's keep our country
clean
And make it alive and
green.
Let's join hands together
To make our country better
And live happily together
forever.

Lessons of life by Lord Krishna

कर्मण्येवाधिकारस्ते मा फलेषु कदाचन । मा कर्मफलहेतुर्भूर्मा ते संगोऽस्त्वकर्मणि ॥

(This message was from the Lord Krishna to Arjun during the Epic War of Mahabharat)

1. Do your duty without anticipating the outcome or end result.
2. Everything that happens in life happens for good and there is always a cause or reason behind that.
3. Live in present moment without worrying about future. This improves mental well being.
4. Control your anger as anger is the fundamental cause of all kind of failures.
5. In life we have to sacrifice many things like comfort zone, time, money, ego to achieve higher success.
6. Being humble or modest is one of the most important characteristics of personality.
7. Job is a job. There is no big or small job. Love your job.
8. Surround yourself with good friends and always be a good friend in return.

PEEP INTO THE PAST

India is celebrating its 74th independence day on 15th August 2020; let's have an insight into how was India's first independence day.....

1. India had no national anthem when it became an independent country on 15th August, 1947. Jana Gana Mana written by Rabindranath Tagore was adopted as India's national anthem later in the 1950s.
2. The Governor General was the only and the most authoritative person in India at the time of independence.
3. Although India became independent on July 18, 1947, Lord Mountbatten declared 15th August as the date of Independence because this date observed the second anniversary of the surrendering of Japan to the Allied Forces during World War II.
4. The National Flag was first hoisted at the Parsee Bagan Square in Calcutta on August 7, 1906. The first variant of the national flag was designed by Pingali Venkayya in 1921.
5. India shares its Independence Day with five more countries on August 15, but with different years. The countries are Bahrain, North Korea, South Korea, Congo, and Liechtenstein.
6. Goa, a Portuguese colony, was made a part of India in 1961 after Indian troops annexed the state to India.
7. The Khadi Development and Village Industries Commission is the only licenced company engaged in the production and supply of Indian flag. The Karnataka Khadi Gramodyog Samyukta Sangha located in Dharwad is the only manufacturer of the flag made with cotton.
8. Mahatma Gandhi was absent from the celebrations of the country's first Independence Day. He was there to be a part of a hunger strike that was conducted to impede the communal killings that were triggered due to partition.
9. Cyril John Radcliffe was given the task of drawing the borders of the Independent India. Despite the fact that he had never come to India, he was given this task of division of the country.
10. Hindi was declared as the official language of India on 14th September, 1949.
11. Pandit Jawaharlal Nehru, India's first Prime Minister, hoisted the national flag 17 times from the fortification of the Red Fort on the Independence Day.
12. Although the plan of Partition was declared on June 3, 1947, it was executed on August 14, 1947, the date on which Pakistan was formed. On August 15, 1947, the Independent Sovereign Republic of India came into being.

OUR GREAT SUNDARAM POETS

WE COME DOWN...
WE COME DOWN...
SENT BY OUR DEAREST GOD...,
SMILING AND DANCING WE COME DOWN,
SINGING A SONG ALL ALONG,
TO DRENCH THE EARTH WAITING FOR LONG...
WE ARRIVE FROM THE HEAVENLY ABODE
WE MAKE THE SKY DARK,
AND LIGHTEN THE SKY WITH A SPARK.
TOGETHER WE DECIDE TO FALL ON THE SIGH OF FLOWERS,
WHICH ARE EAGER FOR OUR SHOWER,
WE COME IN A HUGE CROWD,
TO ENHANCE ALL ALOUD.
WE ARE THE ONE,
WHO BRING SMILE ON EVERYONE,
WE HELP THE NATURE TO EMBELLISH THE BEAUTY
WHICH IS OUR ONLY DUTY.
WE ARE LIKE A FALL WHO QUENCH THIRST OF THE CREATURE,
WHICH ENHANCES THE NATURE,
WE DON'T HAVE CHOICE,
BUT TO REJOICE.....

त्यौहार

त्यौहार सिखाने हमें रिशतों की निभाना
 इनसे लगती घर में रीतक
 होता सबका आना जाना ।

फिर चाहे ही रिशत भाई बहन का
 चाहे जन्म दिवस भगवान का
 चहे पर दमक बना लैत सुंदर भैस
 चाहे रिशत में ही मैं और मेरा देश ।

सुबह सुबह घर की खूब सजाकर
 माँ खिलाती हमें फलवान, मिठाईयाँ बनाकर
 खुशहाली और प्यार का होता अनुभव
 जाता है हर त्यौहार एक मीठी याद देकर ।

हर त्यौहार हमें कुछ बनाता
 प्यार से बंधे रहने का तरीका ये सिखाना
 ये त्यौहार यं ही हम मनाते रहे
 स्वरध रहे और यं ही मुस्कुराते रहे ।
