# BOOK REVIEW

TITLE OF THE BOOK

'TALES FROM THE PANCHATANTRA'

AUTHOR OF THE BOOK

'PANDIT VISHNU SHARMA'

REVIEW OF THE BOOK

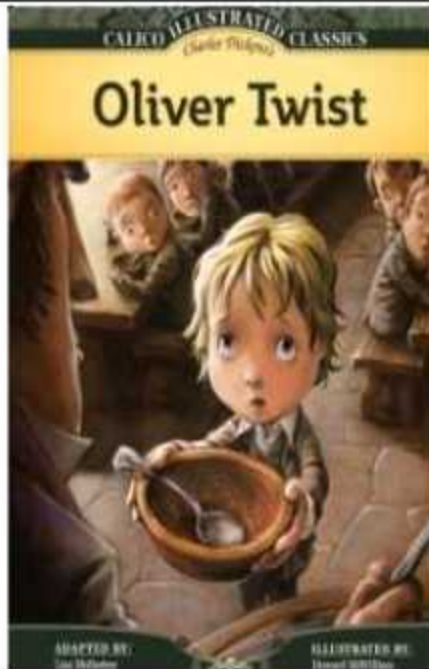

PANCHATANTRA is

coined from two Sanskrit words: Pancha meaning "five" and tantra meaning "strategies".

Awesome Tales from the Panchatantra is a banquet of six moral stories. The colourful illustrations and simple language make reading easy. We learn moral values from these six tales.

BHAVNEET

**Written By** – Charles Dicken

**Name Of The Book** – Oliver Twist

The book – 'Oliver Twist' by Charles Dickens has an interesting plot and a timeless appeal. The story revolves around an orphan named Oliver Twist, whose mother died giving birth to him.

This is about a boy called Oliver who was born in a workhouse. He asked for more food. Mr Bumble sold

him to an undertaker but he didn't like his new home so he ran away to London and met a boy called

Dodger. To find out whether he lived a good or a bad life you must read this book. I enjoyed the book but

I didn't like the characters Fagin and Bill because they were so mean. I think it is a good book to read. In

this book Oliver meets lots of new people, some of them kind and loving but on the other hand some are

cruel and nasty.
