Their's not to reason why,
Their's but to do and die:

A tribute to the valour and supreme
sacrifice of our soldiers

A heart touching poem by
Lavya Gupta

The legendary, the brave
Can't count the number of soldiers he
saved,
He is Captain Vikram Batra
The brave son of G.L and Kamal Kanta
Batra.

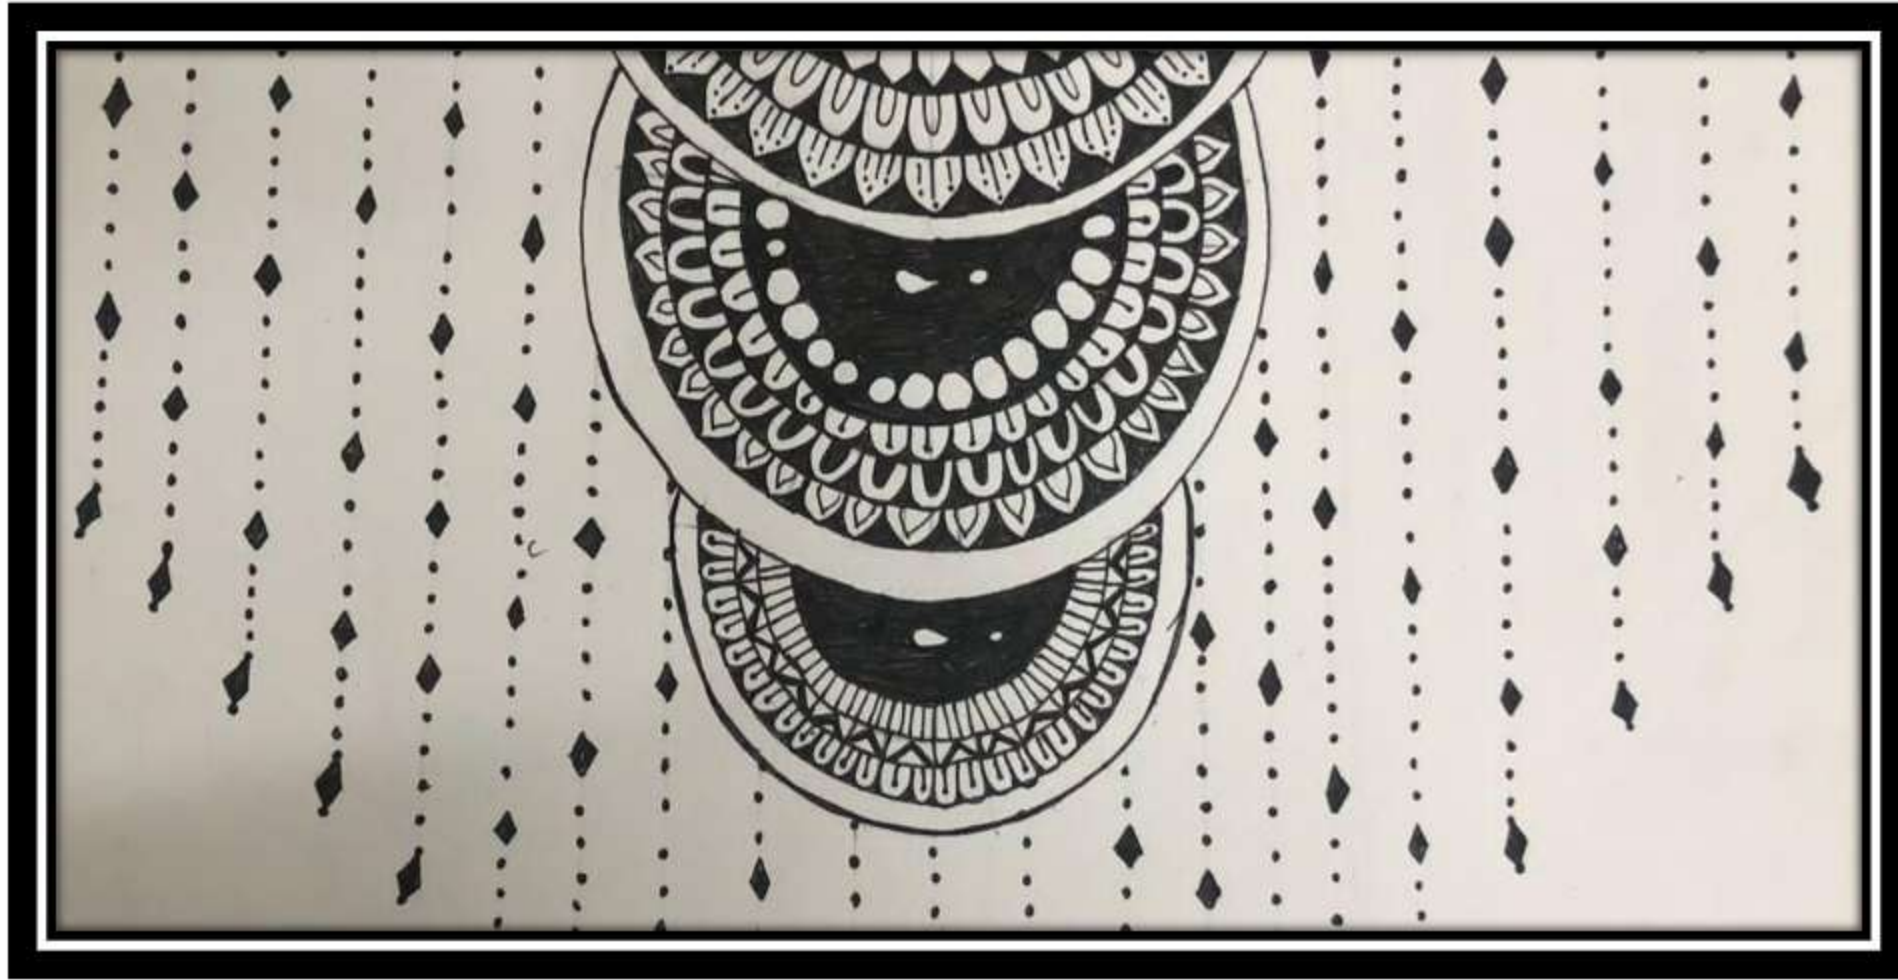

Full of bravery, full of courage.

For his sacrifice he is known,
Made his enemies know fear and pain .
For his country he fought,

Never showed back and braved the bullet
His love for India could never hide
In our minds he never died.

He spoke some words
Which are the golden words
“ Either I will come back after hoisting the
Tricolour, or I will come back wrapped in it,
but I will be back for sure.”
“Yeh Dil Maange More“

And he is named Shershaah

Book Review

Book – Call of the Wild

Author – Jack London

“There is a patience of the

wild – dogged, tireless, persistent as life itself – that holds motionless for endless hours the spider in its web, the snake in its coils, the panther in its ambush; this patience belongs peculiarly to life when it hunts its living food; and it belongs to Buck as he clung on to the flank of the herd.”

As a teaser says teasing the book, this book is about a dog, particularly a Saint Bernard by breed named Buck, who was cruelly stolen from his home in the sun-kissed valley of Santa Clara where he was a content and happy family dog living at Judge Miller's house. Buck was born at Judge Miller's place and had already lived 4 very happy years at their place before being wrongfully stolen. The judge's boys also were really fond of buck and loved him a lot.

The whole family was heartbroken when the loving family dog was stolen away from them.

Buck was then sold to different peoples, shipped to Canada and finally mercilessly trained as a sled dog.

The dog and the family heartbroken, will Buck survive such harsh conditions?

If you are a person into the following genres-

- + Adventure
- + Fiction

And are true animal lover at heart or just an average enjoyer of stories which have animals in them I'd personally say The Call of the Wild is a great pick for you to read and expand your library.

BUT

If you are a person that cannot handle the following

- + Cruelty to animals
- + An animal, dog to be precise in pain

Then The Call of the wild might not be a really great option for you to read, as it describes certain scenarios where buck is in pain and certain scenarios of people being cruel to him.

An Informative Article On Russia-Ukraine conflict

Putin's confrontation with the West over Ukraine follows a familiar cycle in Russian history of loss and reassertion. The Russian leader has been aiming to end what he sees as a "prolonged period of Russian weakness and humiliation." "Putin considers the expansion of [NATO] to Eastern Europe and the Baltic states a direct threat to Russia's security, and the idea of Ukraine drawing closer to NATO—whether through the still far-off prospect of formal membership or by hosting NATO troops in the meantime—an existential red line." As a result, Russia is attempting to rewrite the history of the Cold War, and "tens of millions of Ukrainians have become the unwitting hostages in Putin's attempt to wrest a better deal."

इतिहास इसकी महानता बताता है।

पूरब से पश्चिम तक यहां हर धर्म को माना
जाता है, यह एक गौरवशाली देश है
इसलिए इसे भारत माता के नाम से जाना

गणतंत्र हुआ जब देश हमारा
वीरो की शहादत रंग लाई,
भारत ने अपना संविधान

सबके मन में खुशियां छांड़ीं।

वीर क्रांतिकारो का बलिदान

HISTORY OF NEW YEAR

HISTORY OF NEW YEAR

The New Year signifies that the time has arrived to bid farewell to the by-gone year and to welcome the New Year. Traditionally, the New Year was celebrated on the first of March every year. However, this date was switched to January 1 as it is considered to have a more religious significance. With the growth of the western culture across the globe, New Year's Day on January 1 in the Gregorian calendar has been one of India's many celebrations. People in all parts of India dress colorfully and indulge in fun filled activities such as singing, playing games, dancing, and attending parties. Night clubs, movie theatres, resorts, restaurants and amusement parks are filled with people of all ages. People greet and wish each other Happy New Year. Exchanging messages, greeting cards and gifts are part and parcel of the New Year celebration. The media covers many New Year events which are showcased on prime channels for most of the day. People who decide to stay indoors resort to these New Year shows for entertainment and fun. The age-old tradition of planning new resolutions for the coming year is a common sight. A few of the most popular resolutions include losing weight, developing good habits, and working hard.

Poem Time

His eyes twinkled,
His clothes were wrinkled.
His face was brown,
He wore his usual frown.
He had left his house in anger,
But now he was suffering from extreme hunger.
He wandered in the streets of Rome,
He had no choice but to walk back home....

A PECULIAR DAY

Today I met three phases of age
Old, young and a little of teenage.

Some had shrill voice,
While some had sweet,
Some had wrinkled faces,
While some had rosy cheeks.

With beautiful colours of eyes,
All were sparkling, gleaming and wise.

Some were soft and some were sharp,
But all had great enchanted heart.

I like this book because I love adventure.

The book also teaches that teamwork is very important. In jealousy we should not do things that makes someone upset, rather we should try to improve ourself.

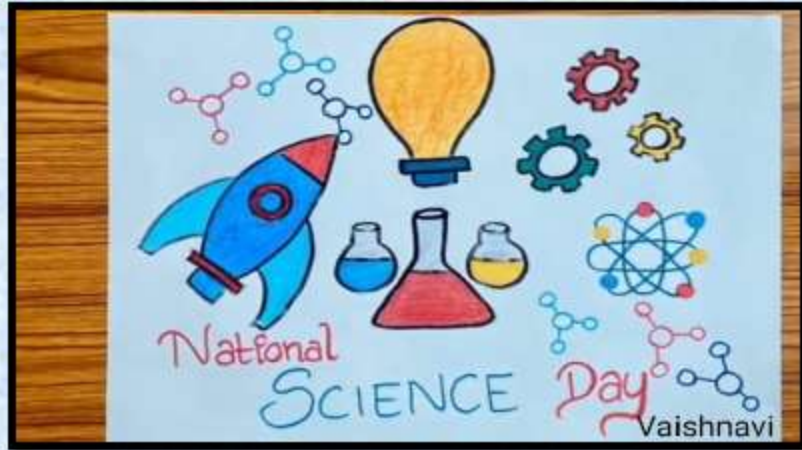

Favourite Character:

Paulina - is one of the Thea Sisters. She is very intelligent and loves reading. In most of the times she is leading her friends.
