Diverse Landforms

Today we see "Diverse Landforms", With our moms. We see Plateaus, Hills, Plains We see Deserts, Islands, Mountains We are amazed to see it. It is large little bit.

Sailors are sailing ships, All are smiling using lips.

We see rain all set, Dry deserts become wet. i

Today we see "Diverse Landforms", With our moms.

Funny Boy in a Village

One day, a boy named Rahul lives in a village. He is afraid of animals. Rahul called some villagers and said "Please, help me, The king of the jungle Lion came and threaten me" (shouting loudly). They come and Rahul said "Ha-Ha-Ha, I am joking and make a fun of you" Villagers get sad. They didn't like Rahul and his scary jokes. Rahul is a bad boy and have bad manners.

After 2-3 days the boy named Rahul again says "Please, help me, The king of the jungle Lion came and threaten me". Villagers didn't come because they know that Rahul is joking again because Rahul is a bad boy but he is good in study. But now Rahul is saying truth and villagers are saying that

Rahul is saying liar. Villagers think that Rahul's habits will be remains same now because Rahul troubles them too much. Rahul is intelligent than the villagers. If we trouble and disturb anyone so god punishes us. Rahul is shouting in shouting. Villagers ears get paining so they saw through windows of their village. They see that the Lion came and threatening Rahul. They run faster and faster how much they can. They forgot to bring any of the thing from which Lion can be afraid of. Papa Lion is crying because its baby Lion has lost from the zoo.

Rahul says in letters Lion speaks in sound they both get confused Villagers also frightened of Lion that's why they say to bring anything but Rahul is stronger than villagers. Villagers are helpless. Lion goes back to the jungle because its real home is the jungle. All the villagers and Rahul felt better than the previous condition. They all get tired and they are resting. Rahul is saying that Sorry, I have joked you scary jokes" Villagers are shy of Rahul's intelligence because they can't do this smartness of Rahul therefore they are happy.

MORAL

1 We should not do scary jokes. We should help everyone We should not be helplessness.

Yogit Goyal

LIFE IN LOCKDOWN

2020 IS THE TOUGHEST YEAR FOR EVERYONE TO BEAR. DURING THIS LOCKDOWN THERE ARE MANY THINGS WE COULD LEARN. STAY SAFE, STAY HOME IS THE MESSAGE TO KEEP US WARM.

AS I WAKE UP EACH DAY, THE BIRDS BEGAN TO CHIRP. IT IS QUITE A MASSIVE CURB. I READ A BOOK AND COOK AN INNOVATIVE RECIPE. WHICH I FEEL IS A AMAZING THERAPY.

JUNK FOOD IS TOTAL BAN, WE ALL HAVE TO FOLLOW THE DIET PLAN.

TRYING NEW THINGS. IS WHAT THIS SUMMER BRINGS. NEW CONCEPT OF VIRTUAL CLASSES ON COMPUTER GIVES A FEELING THAT I AM CLOSE TO MY TUTOR. READY TO STRONGLY FIGHT AGAINST CORONAVIRUS DAY AND NIGHT

BE FREQUENTLY WASHING THE HANDS THE ENTIRE DAY. WE ARE NOT IN SORROW. AND WE ARE HEALTHIER FOR A BETTER TOMORROW. BY SHUTTING THE DOORS, AND STAYING INDOORS. ---ARSHIYA

BECAUSE IT IS SAID- "GENUINE POETRY CAN COMMUNICATE BEFORE ITS UNDERSTOOD"

Lockdown lockdown get over soon
I want to play with my friends at noon
Missing my school which is too cool
Lockdown lockdown get over soon.
Spending my time in the living room
Missing my school bus which goes vroom
Cleaning my house with the broom
Thinking alone to play with whom
Staying at home dancing on tune
It feels like it's the month of June.
Playing tambola watching cartoon
Feeling like a caged butterfly in cocoon
Covid-19 has left us in a loom
I pray to God all things get well soon.

Day dreams

That day I was running over the mountains
Roaring like a lion, thrashing all the villains
How courageous it needs to be a superhero!

It was a Tuesday, I was holding a blade and scissors,
Performing an operation, carefully injecting the painkillers
How empathetic it needs to be a doctor!

Explaining the division, remainder & quotients
This Friday, I was busy teaching the students
How tolerant it needs to be a teacher!

Its Wednesday and I am flying with hundred passengers
Carefully swooshing through the clouds, rain and thunders
How skilful it needs to be a pilot!

A sudden jerk awake me out of my daydream
Oh.. I am still a kid holding my melting ice-cream
How enjoyable it is to be a kid!

कोरोना का कहर

आप आ ही गए हो तो दूर भगा सकते नहीं,
हाथ जोड़ कर करते है स्वागत, हाथ हम मिला सकते नहीं ।
परंपरा है अतिथि का स्वागत करने की, इसलिए नजरे चुरा सकते नहीं ।

तेरे आने से देश में मायूसी सी छापी है,
जैसे एक आंधी, काली घटा घेर लायी है,
फिर भी हम डरेंगे नहीं,
क्योंकि चिकित्सा पद्धति सबसे पहले भारत में ही आयी है।
निकाल फेरेंगे तुझको इस देश की जड़ों से हम ,
जैसे तुम कभी यहाँ आये ही नहीं थे ।

डॉक्टर की मेहनत समर्पण और उनके जस्बे को मैं दिल से सलाम करती हूँ,
कोई कितना भी करले अपमानित आपको ,
पर मैं इस दुःख की घड़ी में आपकी मेहनत को प्रणाम करती हूँ ।

जो जहाँ है ,वहीं रुक गया है ,
न कोई कहीं आ रहा है ,ना जा रहा है ,तेरी वजह से परेशां ये इंसां हो रहा है ।
कितनो की जिंदगी छीन ली है तुने ,कितनो के घर उजाड़े है तुने,
चहल पहल रहती थी जहाँ चारों ओर,सब ठिकाने तेरे कहर से हो गए है सूनी ।

हे ईश्वर इस दुःख की घड़ी से बचा दुनिया को,
जैसे निवारण करता है कष्टों का, वैसे ही निपटा दे इस महामारी को ।
हर मानव की शक्ति बढ़ा देना तु,
कोरोना के हमले से पहले, कोरोना को ही मिटा देना तु ।

- Shreeya Maurya

संजीवनी

By keshav Vashisht

लगा जब बाण लक्ष्मण को, प्रभु श्रीराम रोते हैं।
उठो भाई, उठो भाई, ये कहकर धैर्य खोते हैं।।

तुम सुनते क्यों नहीं बात मेरी, क्यों भाई से हो गए रूष्ट।
जो तुम उठकर ना बैठे तो, करूंगा आज मैं जीवन ये नष्ट।।

अयोध्या में कैसे जाऊंगा, मां को क्या मुख दिखाऊंगा।
जो देख रही है राह तुम्हारी, उस उर्मिल को कैसे समझाऊंगा।।

तभी वानर दल में हुई गर्जन, हनुमंत आगये लेकर संजीवन।
वैद्यराज ने किया उपाय, लक्ष्मण उठ बैठे हर्षाय।।

LET'S PLAY TREASURE HUNT TOGETHER...!!!

(WAIT FOR THE ANSWERS IN NEXT MONTH'S MAGAZINE)

Teasers and Puzzles

This five letter word becomes shorter when you add two letters to it? What is the word?

I stay in the corner but travel around the world. What am I?

Which five letter word you can add to the words below to form new words?
air, witch, wood, hover

Form words with the help of the clues given below:

Eg: $\frac{3}{5}$ of Citric + $\frac{2}{5}$ of chick = Trick

1. $\frac{3}{5}$ of green + $\frac{1}{5}$ of neat _____
2. $\frac{1}{5}$ of calf + $\frac{2}{5}$ of snake _____
3. $\frac{2}{5}$ of fresh + $\frac{1}{5}$ of game _____
4. $\frac{1}{5}$ of Then + All of ere _____

भीष्म की प्रतिज्ञा

माधव ने लिया प्रण था, रण में न शस्त्र उठाऊंगा।
तब भीष्म ने की थी प्रतिज्ञा,
केशव से शस्त्र न उठावाया, तो गंगा पुत्र न कहाऊंगा।।
अर्जुन से जब हुआ सामना, भीष्म ने बाण दिए बरसाय।
पार्थ और सारथी दोनों हुए चोटिल, घावों की ताव सही ना जाय।।
माधव ने रथ का चक्र उठाया, और भीष्म को मारने धाय।
भीष्म रथ से कूद पड़े, धरा पर मस्तक दिया नवाय ।।
भक्त की प्रतिज्ञा की राखी लाज, माधव दिए मंद मंद मुसकाय।

Poem- The Sun

Sun is my friend, Sun is my Lord..
Sun rises in the East and sets in the West..
He is v bright and hides in the night..
Golden is the light and very awesome sight..
Sun is my friend, Sun is my Lord..
He has the power, he makes us grow.
When we feel very low, he gives us the glow..
Sun is my friend, Sun is my Lord..
Plants, animals and birdies too
Need the sun as me and you ..
Sun is my friend, Sun is my Lord..

HEART TOUCHING Poetry

मां के पैरों तले जन्मत होती है,
मां से कुछ भी मांग लो हर मन्नत पूरी होती है।
खुशी में मां, गम में मां,
जिन्दगी के हर पहलू में मां।
हर गम में मुस्कुराना मैंने अपनी मां से सीखा है,
हर आंसुओं को पलकों में छिपाना मैंने अपनी मां से
सीखा है।

मेरे गुनाहों को वो धो देती है,
मेरे हर दर्द पे वो देती है।
भारी बोझ भी हल्का हो जाए,
मेरी मां जब मेरे सामने आ जाए।
हर आरजू में तवज्जो अधूरी रहती है,
क्योंकि मां से किया हर बरताव अबोशायरी रहती
है।

हमारे दर्द में ना कोई जूबा होती है,
तो हर दर्द पहचानने वाली सिर्फ मां होती है।
मां के पैरों तले जन्मत होती है,
मां से कुछ भी मांग लो हर मन्नत पूरी होती है।

-By Hemanya

- The word **dinosaur** comes from the Greek language and means 'terrible lizard'.
- Dinosaurs were huge but all came from eggs.
- The biggest dinosaurs ate only plants. Those that ate meat were usually much smaller.
- **The Longest & Heaviest Dinosaur**- The longest dinosaur was Argentinosaurus, which measured over 37 meters, as long as four fire engines. Its weight was about 77 tonnes, equal to 17 African elephants.
- **The Smallest Dinosaur** - The smallest dinosaur is the little bird-hipped plant-eater like lesothosaurus, which was only size of a chicken.
- **The Dumbest Dinosaur**- Stegosaurus had a brain the size of a walnut - only 3 centimetres long and weighing 75 grams.
- **The Longest Dinosaur Name**- The dinosaur with the longest name was Micropachycephalosaurus meaning "tiny thick-headed lizard".
- **The Fiercest Dinosaur**- Utahraptor
- At present over 700 different species of dinosaurs have been found
- **The First Dinosaur** -The first dinosaur to be named was Megalosaurus in 1824.
- The largest meat-eating dinosaur that's been discovered was the Spinosaurus, which was 50 foot long and spent most of its time in water.
- Dinosaurs lived all across the world. Evidence of dinosaurs found on all seven continents
- Dinosaurs were the biggest animals ever to have walked on earth.
- A person who studies dinosaurs is called a palaeontologist. -By Arish Bose

Title: Go Away Corona

Corona Corona go away

You hit us hard, now no more stay.

We kids are getting bored at home

We want to play, we want to roam.

No more school, no more run

No more shopping, no more fun.

Our summer break spoiled, sitting at home

We didn't realise, when it came and has just gone.

Sanitizing all the time, not an easy task

We are tired wearing this mask.

Don't lose hope, that day is near

When life would smile again without corona fear.

Let's be together and make a pray.

Corona Corona go away... go away!

-Vaani

मेरे घर आई

एक नन्दी चिड़िया

झर झुवकती

उधर द्रुमकती

दूँदा करती कुछ

खाने को।

समझ मुझे न आता

बसा खोजा करती बह

भाँवूँ उलके पीछे

झर कभी तो

कभी उधर

मसचाली सी

भूँ भूँ करती जाती थी

प्यारी चिड़िया

चीची करती

सब ओर नाचती

मासूम कितनी टै

SOME AMAZING FACTS

Around 25,000 trees are cut down each day just to produce toilet paper.

Rainforests are being cut down at a rate of 100 acres per minute.

Humans and elephants are the only animals with chins.

The amount of water on Earth is constant, and continually recycled over time: some of the water you drink will have passed through a dinosaur.

Only 1% of all the water on our Earth can be drunk. The rest is ocean water and is frozen in the Arctic.

Over 100 pesticide and genetic mutations ingredients are suspected of causing birth defects, cancer.

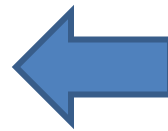

Octopuses have three hearts.

Dolphins shed the top layer of their skin every two hours.

Aluminium can be recycled endlessly, so there is no excuse to throw your cans away!

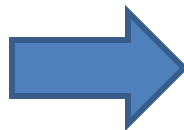

The world's oldest trees are more than 4,600 years old.
