FRIENDS

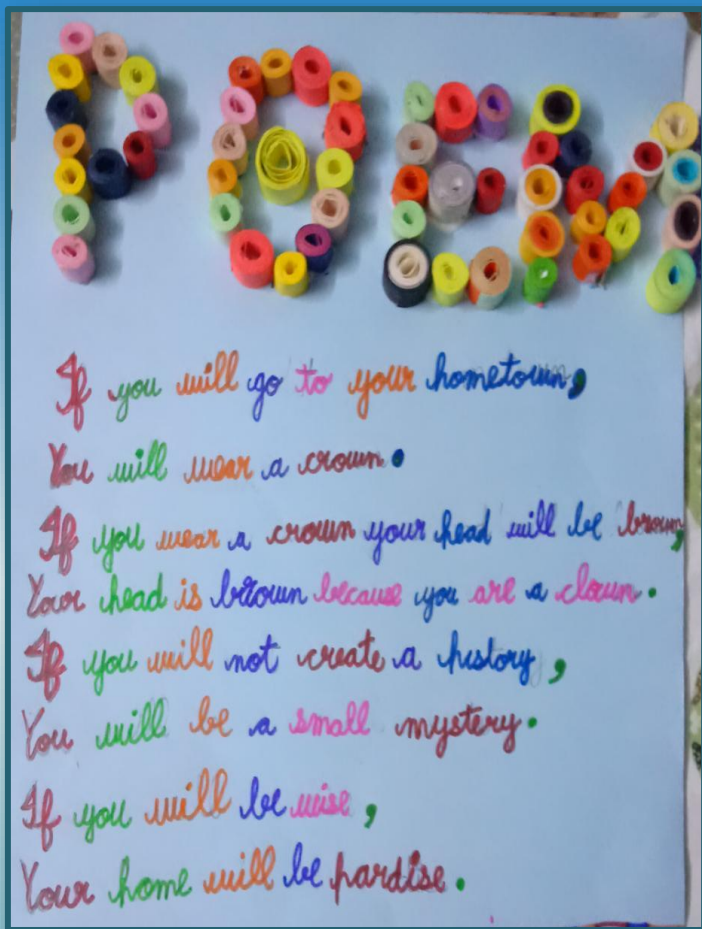

*Fake friends come and go,
But real friends remain forever and
never go,
My friends and I have a group,
Its name is **BEST FRIENDS GROUP**,
Members are Puneet, Daksh,
Deven, me and Yash.
We do cycling, skating,
Or play hide and seek and racing,
Fake friends come and go,
But real friends remain forever and
never go.*

*In the year 2020,
We had plans in plenty,
But due to COVID-19,
We had quarantine.
And could not go to the canteen,
Rules were so strict,
We had to restrict.

Wearing masks,
Was a difficult task,
But it has become a necessity,
In spite of all the precautions,
We came in the red zone city.
Social distancing has become a norm,
It had become really difficult for me,
So we had to transform according to the
situation,
It appeared as it was an impossible
mission.*

*The schools started online classes,
It was for the welfare of the masses,
It was new to all the teachers,
They themselves had become students,
To know the Google meet features,
The pandemic thought us a lesson,
The social distancing and wearing masks,
Was a new fashion.

THE 'TEACHERS'

The teachers make us fly.
They support us when we cry.

When a good teacher teaches,
all students learn with joy,
whosoever is, a girl or a boy.

In the journey of education,
you are like a starting point,
who help us to reach our destination.

Teachers are like a god's gift,
in our journey of life,
they give us a mighty lift.

You are in my life, I am glad,
you are as important as mom and dad.
Let's join together and sing,
Thank you teacher for everything.

Butterfly smiles

*Butterflies flutter,
Butterflies fly,
They put a sparkle in your eye.*

*Watch a butterfly,
And in a short while,
It will give you
A butterfly smile,*

*A child is like a butterfly,
Flying in the wind,
Some can fly higher than others,
Each flies the best it can,
Why compare one
against the other,
Butterfly smiles every time.*

Teachers: The Nation Builders

"A good teacher is like a candle- it consumes itself to light the way for others"
Mustafa Kemal Atatürk

The above lines truly show all the hard work put by the teachers in shaping their student's life. Teachers not only give bookish knowledge but they also help mold the personality of students and guide them in the right direction for future life. In India teachers are respected more than God.

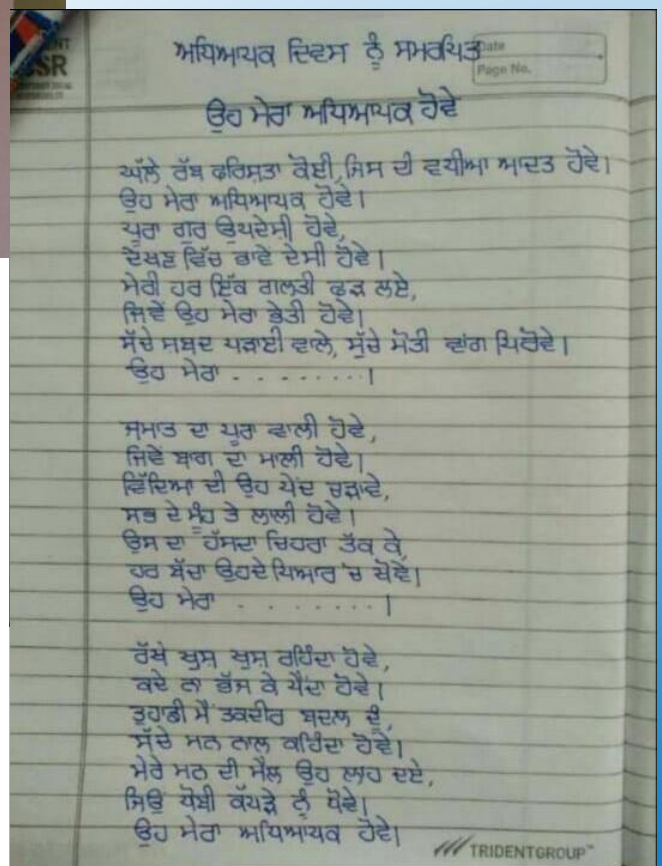

To express our respect towards our teachers we celebrate teachers day on 5th September. It is the birth anniversary of Bharat Ratna Dr. Sarvapalli Radhakrishnan. Teachers day is a celebration of joy, enthusiasm and worship.

The devotion of a teacher in the nation's development is mention worthy, as good teachers are essential assets. Outbreak of Pandemic and closure of schools have created new challenges for education system. But our teachers have stood like rock in these difficult times. They are trying to help their students through digital platforms. Bill Gates has appropriately quoted, "Technology is just a tool. In terms of getting the kids working together and motivating them, the teacher is most important."

Teacher are truly guardian angels of the society, for the bear all qualities of a friend, guide and philosopher.

अंग्रेजी में नंबर थोड़े कम आते हैं,
अंग्रेजी बोलने से भी घबराने हैं,
पर स्टाइल के लिए पूरी जान लगाते हैं,
क्योंकि हम हिंदी बोलने से शर्माते हैं,

एक वक़्त था जब हमारे देश में हिंदी का बोलबाला था,
माँ की आवाज़ में भी चुबह का उजाला था,
उस माँ को अब हम Mom बुलाते हैं,
क्योंकि हम हिंदी बोलने से शर्माते हैं,
देश आगे बढ़ गया पर हिंदी पीछे रह गई,
इस भाषा से अब हम नजर घुराने हैं,
क्योंकि हम हिंदी बोलने से शर्माते हैं,
माता, अंग्रेजी पूरी दुनिया को चलाती है,
पर हिंदी भी तो हमारी पहचान दुनिया में कराती है,
क्यों ना अपनी मातृभाषा को फिर से सराबो पर बिठाए,
आओ हम सब मिलकर हिंदी दिवस मनाए।

THE INTERNATIONAL DAY OF PEACE

The **International Day of Peace**, sometimes Unofficially known as **World Peace Day**, is a United Nations-sanctioned holiday observed annually on 21 September. It is dedicated to world peace, and specifically the absence of war and violence, such as might be occasioned by a temporary ceasefire in a combat zone for humanitarian aid access. The day was first celebrated in 1981, and is kept by many nations, political groups, military groups, and people. In 2013 the day was dedicated by the Secretary-General of the United Nations to peace education, the key preventive means to reduce war sustainably.

To inaugurate the day, the United Nations peace bell is rung at UN Headquarters (in New York city). The bell is cast from coins donated by children from all continents except Africa and was a gift from the United Nations Association of Japan as "a reminder of the human cost of war"; the inscription on its side reads, "Long live absolute world peace."

The 2020 theme for the International Day of Peace is "SHAPING PEACE TOGETHER"

Let's pledge together to celebrate the day by spreading compassion, kindness and hope in the face of the pandemic.

कुछ बेमिसाल है पेड़ पौधे पशु पक्षी सब कुछ प्रकृति की देन है , बिन माँगे ही ये सब कुछ देनहार है । "

" ठंडी - ठंडी हवाओ का कोई जवाब नहीं खिलते महकते फूलों का भी कोई जवाब नहीं । प्रकृति की ये सुन्दरता कितनी लाजवाब है ये नदियाँ ये झरने सब कुछ बेमिसाल है । "

लाजवाब है , चमकती चाँदनी भी खुशहाल है , खुशी का ना कोई जवाब है । "
