# Teacher's Day

# Colors of Patriotism

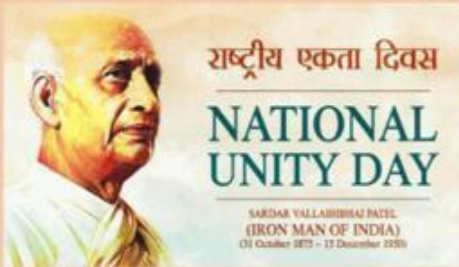

National Unity Day is celebrated in India on 31<sup>st</sup> October every year. The day is celebrated to mark the birth anniversary of Sardar Vallabhbhai Patel. It is also known as Rashtriya Ekta Diwas. It was introduced by the Government of India in 2014. The reason behind the celebration of this day is to make people aware of the ideas of staying together and uplifting society. In 2018, the Government of India unveiled the "Statue of Unity" in Gujarat. The Statue of Unity is the tallest statue in the world.

## NATIONAL UNITY DAY

National Unity Day is celebrated in India on 31 October. It was introduced by the Government of India in 2014. The day is celebrated to mark the birth anniversary of Sardar Patel who had a major role in the political integration of India.

Sardar Vallabhbhai Patel contributed to the unification of India's 565 princely states. National Unity Day is to honour the efforts of this great man, who was also the first Deputy Prime Minister of India.

Sardar Vallabhbhai Patel was active in India's Independence movement and was part of the Constituent Assembly. On 31st October 2014, Prime Minister Narendra Modi inaugurated National Unity Day to pay tribute to Sardar Patel.

## How The Sea Became Salty- Sudha Murty

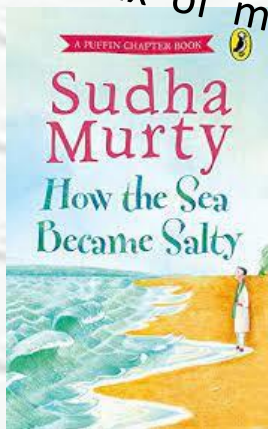

A story from a long time ago, set in a time when the salt water was supposedly sweet and indeed drinkable. Leela and Keshav were wife and husband respectively, where Leela was mean and selfish however Keshav was kind. But he helped Leela to steal away the magical fan from Sridhar. The fan was indeed powerful to give everything to the person who waved it gently. And when one has got enough of it, just whisper "enough enough" to stop producing the wished things. Leela and Keshav somehow didn't know how to stop the magic which resulted in thousands of salt sacks spill in the water making the sea salty forever till the dwarves heard about it and their magic to make the fan stop, but by then the sea become salty.

This tale is a delightful mix of magic and life lesson.

# A HEN THAT LAID

## GOLDEN EGG

It's an interesting story of a poor farmer, who got a hen which laid a golden egg everyday. He sold that egg and became rich. Then, one day he began to wonder how much gold the hen must have inside it. So, he killed the hen. But to his disappointment, he got nothing inside it. By killing the hen, he had deprived himself of golden eggs.

The **MORAL** of the story is that **we should never be greedy.**

My favorite character in this story was the hen that laid golden eggs.

It is a short and nice story with a meaningful lesson.

## वर्षा और पानी

जानी आज मुझे बतलाना  
कहा से लानी वर्षा पानी?  
सौच न पाँऊ, समज न पाँऊ  
मैं वर्षा की यह मनमानी।

ऊपर नीला आसमान है

संग मैं सूरज चँद-सितारे,

पानी फिर यह कहा से आया,

समझ न आई बात हमारे।

सूरज की किरणें धरती पर

अपनी संग हैं गरमी लाती,

गरमी जल को भाप बनकर,

आसमान तक जा पहुँचाती।

## पैड़ लगाओ

पैड़ लगाओ, पैड़ लगाओ,

हरा भरा जीवन बनाओ।

छाया ये हमको देते हैं,

फूल ये हमको देते हैं।

बाढ़ से बचाते हैं।

प्रदूषण दूर हटाता है।

हम भी पैड़ लगाएँगे।
