GANDHI JAYANTI

BY NUPUR WADHWA

DUSSHERA

BY NUPUR WADHWA

Dussehra is the one of the most important festival celebrated by Hindus across India. This festival is also popularly known as Vijayadashami in some parts of the country. According to Hindu mythology, it is believed that on this day Goddess Durga eliminated the demon, Mahishasura from the earth. Dussehra symbolises Lord Rama's victory over demon King Ravana which signifies the victory of the power of good over evil. To enjoy the festival, people enact the battle through skits and plays in a dramatic form which is called Ram-Leela. People in North India perform Ram-Leela by burning huge life-size effigies of demon Ravana and his brothers. They fill those effigies with explosives and aim an arrow with fire that results in splendid fireworks. This festival makes us believe that there is light at the end of every tunnel and the victory of good over evil and truth over lies. People celebrate this festival with great fervour, joy and enthusiasm and wait for it eagerly from the beginning of the year. Dussehra teaches us an important lesson that good always wins over evil and the importance of morality and integrity in our lives.

धनतेरस की कहानी

धनतेरस की कथा

धनतेरस दो शब्दों से मिलकर बना है धन और तेरस जिसका अर्थ लगाया जाता है धन को 13 गुना करना । इसमें तेरस संस्कृति भाषा के त्रयोदश का हिंदी वर्जन है। कार्तिक कृष्ण पक्ष के त्रयोदशी तारीख के दिन इस त्योहार को मनाया जाता है। आज धनतेरस का पर्व पूरे भारत में धूमधाम से मनाया जा रहा है। आज भक्त मां लक्ष्मी, यम, धनवंतरी और कुबेर देवता की पूजा से उनकी कृपा हासिल करेंगे। माना जाता है कि धनतेरस और दीपावली पर खरीदारी से किस्मत तो चमकती ही है, साथ ही घर में पूरे साल धन की वर्षा होती रहती है। इस दिन सोने और बर्तन की खरीदारी को विशेष रूप से शुभ माना जाता है।

जहां तक पूजा-पाठ की बात है, तो यह पर्व मां लक्ष्मी और धन के देवता कुबेर को समर्पित है। सोने और बर्तन की खरीदारी को शुभ और समृद्धि से जोड़कर देखा जाता है। इस दिन भक्त यमराज, धन के स्वामी भगवान कुबेर, आयुर्वेद के प्रणेता भगवान धनवंतरी और मां लक्ष्मी की पूजा पूरे विधि-विधान से करते हैं। भगवान धनवंतरी जन्म भी इसी दिन होने के कारण वैद्य समाज धनतेरस को धनवंतरी जयंती के रूप में भी मनाता है।

भारतीय संस्कृति की बात करें, तो यहां त्योहारों में पौराणिक कथाओं का विशेष महत्व है। धनतेरस भी ऐसा ही पर्व है। दीपावली से ठीक दो दिन पहले मनाए जाने वाले इस त्योहार का संबंध मां लक्ष्मी से है। इसके अलग दिन छोटी दीपावली और फिर दीपावली को देश में धूमधाम से सेलिब्रेट किया जाता है। पौराणिक कथाओं में मां लक्ष्मी को धन और संपदा की देवी कहा गया है। कहते हैं कि उनकी कृपा जिन पर हो जाती है, उन्हें इस संसार की सभी खुशियां मिलती हैं। तभी तो भक्त धूमधाम से मां की पूजा-अर्चना करते हैं। कहा जाता है कि धनतेरस के दिन आप जो कुछ खरीदते हैं, वह आपके जीवन में शुभ बनकर आता है। कहते हैं कि इस दिन पूजा-पाठ और खरीदारी से स्थायी रूप से धन का वास हो जाता है।

एक दूसरी कथा के अनुसार, कार्तिक कृष्ण पक्ष की त्रयोदशी तिथि के दिन भगवान धनवंतरी का जन्म हुआ था। वे अमृत मंथन से उत्पन्न हुए। जन्म के समय उनके हाथ में अमृत से भरा कलश था। यही कारण है कि धनतेरस के दिन भगवान को प्रसन्न करने के लिए बर्तन खरीदा जाता है। देश के सभी छोटे-बड़े बाजारों में बर्तनों की दुकानें सजती हैं और लोग अपनी क्षमता के अनुसार बर्तन खरीदते हैं। ऐसी मान्यता है कि इस विशेष अवसर पर आप जिन वस्तुओं की खरीदारी करते हैं, उसमें तेरह गुणा वृद्धि होती है।

A MYSTERIOUS STORY

BY SAMRIDH
BANSAL

In a small town everyone was living happily. But from the past some days the members of the church started missing. In morning, the bodies were found in the center of the village near the banyan tree. Something that was mysterious about the bodies was that on their hands there was a tattoo. One day a famous news reporter Robert with his assistant John and cameraman Ron arrived at the village to report about the story. But at night something happened that was unbelievable. Ron was waiting for Robert and John as he wanted to give an information about something. When he was waiting a man started coming near him. His face was covered by a black mask. He started coming near him slowly. Ron realized that someone was behind him and when he turned around, the man put a blindfold on his eyes. After sometime when John and Robert came, they were in a shock after seeing the body of Ron. They realized that the same tattoo was on Ron's hand. When Robert and John saw the camera, they picked it up and saw that there is a big treasure in the basement of the church. They also saw the tattoo on the murderer's hand. Then Robert and John called the police officer Nick. Next day Nick and his team arrived at the village. Nick asked John and Robert about the proof. They showed Nick and his team the video clip. After that Nick started checking the hands of the villagers. But no one had that tattoo. John realized that the Pastor of the church was missing and only he could have the key of the treasure. John quickly ran towards the church, Nick and Robert followed him. When they arrived at the church, the pastor was not there but John knew that the Pastor could be at the basement of the church. They went at the basement and saw big treasure with the Pastor. Nick, Robert, John and police cops arrested him. After investigation, Nick told John and Robert that pastor did not want to share the treasure with anyone so whosoever saw that treasure, the Pastor killed him. The tattoo was to confuse the minds of people towards some holy spirit. The pastor was imprisoned.

The Doll Graveyard by Lois Ruby

Book Talk

Shelly and Brain Tate have heard heated voices crying out in the night. But the most chilling thing is that their new home is the cemetery. Soon Shelly is learning all about them. If Shelly can help the dolls, find peace, she and her family might actually find some happiness at Cinder Creek but if she can't the dolls will have their revenge.

Book Review

This book is about some dolls dug in the graveyards who want peace. I like Shelly's care and affection for dolls as she wanted to do justice for dolls. I wish that I never come across such hauntings and the dolls always remain happy. One thing I didn't like is that the boy didn't take care of the dolls. I think one who likes thrill, mysterious and scary stories will like this book.

Book Response

I always thought that dolls are always pretty and sweet but after reading this book, I realized that they can be dangerous too. After reading this book I also overcame my fear. But after completing this book I am less scared of these kinds of dolls. I can now read both such scary stories. I have also learnt meaning new words from this book. I have really improved my vocabulary after reading this book.

BOOK – THE RUPA BOOK OF HAUNTED HOUSES

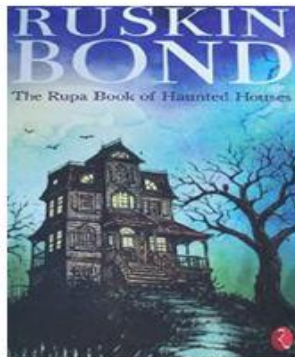

AUTHOR- RUSKIN BOND

Haunted houses are injurious to health. From his haunted rocking chair, Ruskin Bond takes you on a goose-pimply tour of some famous haunted houses in fiction.

With few exceptions, the occupants of the houses in these stories have come to an unpleasant sometimes messy end. Ghosts resent begin disturbed. They are fussy | about who they must have as a neighbour. There is Thurnley abbey, with its terrifying midnight apparition; M R James's haunted doll's house: Hugh Walpole's sinister staircase; and the old manor houses whose hauntings are investigated by Flaxman Low, the Sherlock Holmes of the supernatural.

And there's Bram Stoker, who gives Dracula the night off and replaces him with an equally terrifying hanging judge. Read this when the night crawls by, about the unseen spooky inmates inhabiting houses that are haunted. It is a long tour of famous haunted houses in fiction from Walpole to Bram Stoker. 'The Rupa Book of Haunted Houses' (edited by Ruskin Bond) had Victorian (or Victorian-style) ghost stories. Read with your doors closed, lights dimmed; and be mindful of your house. In this anthology edited by Ruskin Bond, he shares some of his favourite ghost stories. Stories of ghosts who either resided or frequented and haunted certain houses.

Ruskin Bond is an Indian author of British descent. He is considered to be an icon among Indian writers and children's authors and a top novelist. He wrote his first novel, The Room on the Roof, when he was seventeen

एक छत्र काठहा के मन में
एक उपाय आया
इंद्र की पूजा छोड़ इस वर्ष
गोवर्धन की पूजा करने को काठहा का मन ललताया ।।

इस विचार से महत्मत हुआ
हर एक श्रृज का वासी
और बले गोवर्धन की ओर
हर एक श्रृज वासी ने सच्चे मन से पूजा की ।।

एक एक श्रृज वासी ने
पूजा कर के पुण्य कमाया
साथ ही साथ
इंद्र को क्रोध भी आया ।।

यह जो इंद्र को क्रोध आया
उसने अपना पत्त उठाया
इतनी जोर से की वर्षा
कोई भी बच न पाया ।।

परंतु ये थे जनमाली भी विष्णु
उन्होंने अपना वनत्कार किबलवाया
इक डंगली पर ठठा लिया गोवर्धन को

Article on Diwali

Diwali is the season to celebrate with joy and cheer. It was the day when king Rama destroyed the evil forces and reached home to a rousing welcome by his subjects. Diwali has long been associated with bursting crackers, which is not in the true spirits of the festival. The main motive of the festival is to spread happiness with your loved ones.

Festivals have been made to reinforce strong bonds between families and friends, and Diwali is the best example. Everyone goes home for Diwali and celebrates it with their families. It is a national holiday, so everyone enjoys the festival without worrying about work. It gets more exciting at night because lots of sky-lanterns are released into the air that flies high and lights up the night sky. Diwali teaches us to be patient for good things in life.

Children keep waiting for many days to enjoy that bite of their favourite sweet. The houses are thoroughly cleaned to clean them of dirt. Cleanliness is very important as it would determine your wellness and health. It has been a part of Hindu c

ulture for a very long time and fosters the moral lesson of "Good people always win over bad ones."
